

Save money with Perks at Work

Score exclusive discounts on what matters to you

With Perks at Work, it's easier to shop smarter. Save on electronics, gym memberships, weight loss programs, travel, movie tickets — even your next car. It's part of the Resource Advisor member assistance program that's included with your life and disability coverage from Anthem Life & Disability Insurance Company.

Perks at Work offers discounts on thousands of products and services you use every day, including:

- Gym memberships and fitness programs, such as FitReserve, Active&Fit Direct, Gold's Gym, and Curves.
- Weight loss programs and food delivery services, such as Nutrisystem and Weight Watchers.
- Vitamins and supplements from retailers such as GNC and Vitamin World.
- Vision supplies and services, including Lenscrafters, 1-800-CONTACTS, and LasikPlus.
- Travel, including hotels, vacation rentals, car rentals, flights, cruises, and vacation packages.
- Electronics and electronic services, including TVs, computers, tablets, video games, and TV services.
- Home furnishings and services, such as appliances, cleaning services, and security services.
- Tickets for events and attractions such as movies, Broadway shows, and theme parks.
- New and used cars, plus car insurance, parts, and maintenance services.
- More than 100 live and on-demand online classes on topics such as yoga, financial wellness, and leadership.
